

STATA[®]

Prof+ Plan

Powerful and complete statistical software but for a fraction of the cost. This is analysis made easy.

Stata is an integrated statistical software package that provides everything you need for data analysis, visualization, data management, and reporting. The Stata Prof+ Plan gives you access to everything in Stata at special, low prices.

NEW PURCHASES					
Stata/BE	Stata/SE	Stata/MP 2-core	Stata/MP 4-core	Stata/MP 6-core	Stata/MP 8-core
\$125/annual	\$195/annual	\$295/annual	\$425/annual	\$510/annual	\$595/annual
\$245/2-year	\$385/2-year	\$580/2-year	\$835/2-year	\$1,005/2-year	\$1,170/2-year

Stata puts advanced, modern statistical tools and robust data management facilities right at your fingertips. And it isn't sold in pieces, so you get everything in one convenient package. Whether you are teaching courses in quantitative methods or you are supporting a university research unit, the Stata Prof+ Plan makes it easy to own Stata.

The Stata Prof+ Plan is available at select universities. Prof+ Plan licenses are single-user licenses. Additional pricing and options are available. Visit stata.com/profplus for complete program details.

Why Stata

stata.com/why-use-stata

- Integrated menus and dialogs
- Intuitive command syntax
- Fully programmable
- Fast, accurate, and easy to use
- One package—no separate modules
- Available for Windows, Mac, and Linux

You want a statistical package that does everything you need now—and one that addresses the expanding range of statistical methods. Stata is the solution for your data science needs. Obtain and manipulate data. Explore. Visualize. Model. Make inferences. Collect your results into reproducible reports. Research professionals from all disciplines use Stata to manage and analyze their data—and so can you. Stata gives you all the tools you need.
